CAIRO OFFICE:

At Hulen & Wilson's, Corner Twelfth St.

ARRIVED. Thomas Shirlock, New Orleans

-There is a new saloon at the corner of Twentieth and Poplar streets. R. E. White is the proprietor. It lunched last night. -A communication headed: 'Dr. Thayer called to time," will appear Tuesday morning. It has been crowded out.

We are full of work and short of work--Who dare denounce the prevailing weather? It is of the balmy kind. There is just a faint suspicion of winter in it, but that does not take away from it

General Items.

-The auction sale at Parson, Davis &

Co's, old stand to-morrow night, should

-Louis Blatteaf feasted his friends last

night on a big lunch. We were not there

to eat, and are consequently hungry.

much of its pleasurable quality. -Thomas has provided comfortable sents for the ladies in the store room of Parsons, Davis & Co., and is selling at auction all kinds of queensware, etc. He sells every night, (Sunday excepted) and invites the ladies to call and obtain great

bargains. -The members of the Baptist Church are particularly requested to meet at the Mission room this morning at usual hour of morning service, as there are matters of importance to be considered, which

of importance need immediate attention.

J. P. GANBLE.

Moderator. -We copy from The Clipper, for the benefit of the firemen of this city, the fol-

lowing paragraph in relation to big ENGINE No. 4. Cairo.-The best throws ENGINE No. 4. Cairo.—The best throws made by such of the New Orleans steamers mentioned as we have a record of are as follows: Eagle No. 7. 320ft, 7in.; Creole No. 9, 311ft, 9jin.; Mississippi No. 2, 311ft, 8in. We have heard it stated that Crescent No. 24 threw 320ft, 9in., but we have no official or reliable information.

mation regarding the matter; consequent ly, we cannot place it upon record. -The picture joke perpetrated by his

-City Clerk Hawkins was busily engaged Thursday and Friday in paying

employers. -Mr. Fount. Hagey, formerly of this city but now a resident of St. Louis, was in Cairo Thursday and Friday. He looks just as he used to but he is not quite as sociable. THE BULLETIN office was visited often by him when he lived in Cairo, but he gave us the go-by when he was

here last week. -Hon. Mr. Dement was in the city Friday, with Mr. Jerome the cotton-bagging man. Dement is related to Mr. Uhl. of Mathuss & Uhl; that is to say, he and Uhl used to live in the same town, a village by the name of Dixon, Illinois. Dement fell into bad habits and Uhl became better after they separated, a fact that will not be denied when we state that Dement went to the General Assembly and Uhl came to Cairo.

Knight P. S. Barelay nearly all the credit of the success of the late pilgrimage from this city to New Orleans. He was the tarm in his native county in Ireland, working man. Others talked; he was

wards owned a store, which he held until 1861. At the breaking out of the war be abandoned that enterprise and bought a little farm above Birds' Point, on which he resided until 1872, when he moved to this city, as the farm had all washed into the river. He owned considerable prop-BARGAINS in boots and shoes, at Elliott & erty in this city, and still owns a val

Schenck's Mandrake Pills

Will be found to posses those qualities necessary to the total eradication of all billious attacks, prompt to start the secretions The picture joke perpetrated by his brother Sir Knight Blake has harrowed the knightly feelings of that gallant gentlemen. The best picture is that wherem Sir Knight Blake is represented in a pensive mood, as pensive as Don Quixote after his battle with the wind mills. The jay bird picture is intolerable. True, the likeness is striking, particularly about the mouth, (or bill), and the legs; but it flatters too much to deserve the praise of life-like.

Chear.—White Granite and other table ware at Parson, Davis & Co's, Tenth street.

12-8-tf

local stracks, bround to sait the secretions of the liver, and give a healthy tane to the entire system. Indeed, it is no ordinary discovery in medical science to have invented a remedy for these stubber complaints, which develop all the result provided by a heretofore free use of calomel, a mineral justly dreaded by mankind, and acknowledged to be destructive in the externe to the human system. That the properties of calomel without its injurious tendencies, is now an admitted fact, rendered indisputable by scientific researches; and those who use the Mandrake Pills will be fully satisfied that the best medicines are those proved by nature in the common herbs and roots of the fields.

These pills open the bowels and correct all billions derangements without salivation or any of the injurious effects of calomel or other poisons. The secretion of bile is promoted by these will be seen by the altered sales of the stools, and disappear. moted by these pills, as will be seen by the altered color of the stools, and disappear-ing of the sallow complexion and cleansing

of the tongue.
